2. During the contest, the contest assistant will time the speech. The score of "Time Control" will be reported immediately after each speech. Students get a full score of 10 if the speech timing is between 2 min. 30 sec. and 3 min. One score will be deducted for every 10 sec shorter or longer than the above period.
3. Challenges should ONLY be requested by the school team leader during the competition. Any challenges requested after the contest are not considered. The school team leader is responsible for providing the reasons for the challenge. Judges will make the final decision after group discussion. Once the final decision is made, challenges related to the same issue are not allowed.
