

Title: From Pre-AP to AP Chinese:

This workshop will offer participants a chance to become familiar with Pre-AP Chinese concepts and the AP Chinese Language and Culture course. It will introduce the 5'C National Standards, which are the foundation of the AP Chinese course, as well as other resources available to Chinese teachers. Participants will learn how to equip Pre-AP students with the necessary skills to be successful in an AP course later on in high school. Participants will walk away with practical strategies and examples of fun activities that will enhance any Pre-AP classroom setting.
